

Proudly based in Perth, Western Australia, Co3 is the state's flagship contemporary dance company contributing a distinct voice to the national cultural environment.

We invite you to support Co3, Australia's newest contemporary dance company by making a contribution to our individual giving program.

Our unique model closely integrates the three central pillars of Co3: an annual performance program featuring some of Australia's leading artists performing high impact contemporary dance work; a dedicated youth ensemble and Elite Training Squad for some of the state's best young dance talent; and innovative education and community engagement projects.

As a non-profit organisation, Co3 relies on the valuable generosity of its friends and donors. Your support will help us produce more extraordinary and courageous new contemporary dance works, nurture the very best of Australian dance artists, foster creativity and health and well-being amongst our young dancers and in the education sector, and engage with more communities across Western Australia.

This is Co3. Be part of the journey.

How you can support Co3

INVEST IN OUR HEART AND SOUL

- \$1,000 Dancer Week
- \$10 = \$20! Donations in this category are matched dollar-for-dollar

LIFT US TO THE STAGE

Supporting the creation of new work will enable Co3 to showcase the very best of Western Australian dance-making, innovative works-of-scale by leading choreographers and deliver contemporary dance experiences to audiences locally, nationally, and internationally. Your donation will help fund the many elements involved in the creation of a new work, from choreographer and composer fees to costume and set design.
